

Employee Benefits Account Representative Program

January and July 2025

Join an innovative leader in insurance brokerage and consulting.

Explore a Career with USI

Are you – or do you know – a recent college grad, eager to gain new skills and experience in insurance brokerage and consulting? USI Insurance Services' Career Track program offers new associates hands-on experience and opportunities to learn the skills necessary to effectively deliver exceptional customer experiences and succeed in an increasingly competitive market.

The Employee Benefits Account Representative Program provides in-depth training to prepare associates for client-facing and customer-oriented roles. Throughout the training program, associates join a mentorship business group, led by industry experts, to further develop skills while increasing role-specific levels of responsibility.

The program also offers organized activities for participants to meet senior executives and network with team members across business lines, as well as opportunities to get involved through our USI Gives Back campaign, where each of the company's approximately 200 offices volunteer in local community service.

What You'll Learn

You will be immersed in the fundamentals of employee benefit consulting including:

- The USI ONE Advantage® processes and best practices, a key differentiator between us and other brokerages
- Broad based insurance knowledge and expertise
- Guidance and support around appropriate licensing, certifications, and designations
- Strategies to help clients align benefit packages to fit their vision and values
- Fundamentals of employee benefit programs
- Core benefit consulting cadence; the life cycle of a client
- Inter-office collaboration via group projects
- Tools and skills to support the service team with client deliverables
- Networking and relationship-building skills
- Professionalism and soft-skills development
